COME TO THE CAPITOL TO SHOW YOUR SUPPORT FOR ENDING DISCRIMINATION AGAINST SAME-SEX COUPLES AND THEIR CHILDREN!

Freedom to Marry Day celebrations began over a decade ago in Minnesota and across the country to encourage people to be vocal about their support for marriage equality. This year's celebration in Minnesota is a rally at the Capitol in support of the "Marriage and Family Protection Act", which would render all Minnesota statutes dealing with marriage gender neutral, allowing equal rights for same sex and same gender couples to marry in Minnesota.

OutFront Minnesota is encouraging Minnesotans to be vocal about their support for legal protections that bring stability to all families. Join us at the Capitol, write your legislators and talk with co-workers or family about why you support marriage equality.
